

**DEVELOPMENTAL
SUSTAINABILITY: MEETING
GEORGIAN MILLENNIUM
DEVELOPMENT GOALS**

**Miranda Berishvili, Fritz Scheuren
NORC**

Map Of Caucasus

Map of Georgia

Why Sustainability?

- **Effect on future of the**
 - **Country**
 - **Generation**
 - **Enhancement of human life**

Why Sustainability is Required?

- **Single measures – inefficient**
- **Temporary results do not support enhancement of human life**

Millennium Development Goals

- **Eradicate extreme poverty and hunger;**
- **Achieving primary education**
- **Gender equality**
- **Child health**
- **Maternal health**
- **Combat HIV**
- **Environmental sustainability**
- **Global partnership**

Sustainability Goals

- **Stable Measurement
Crucial Always**
- **Repeatability over Time
Essential for Evaluation**
- **Strong Team with no
Turnover over Project Life**

Two MCC Project Evaluations

- **Rural Road Improvements**
- **Agricultural Productivity
Efforts**
- **Strengthen Local Georgian
and International Markets**

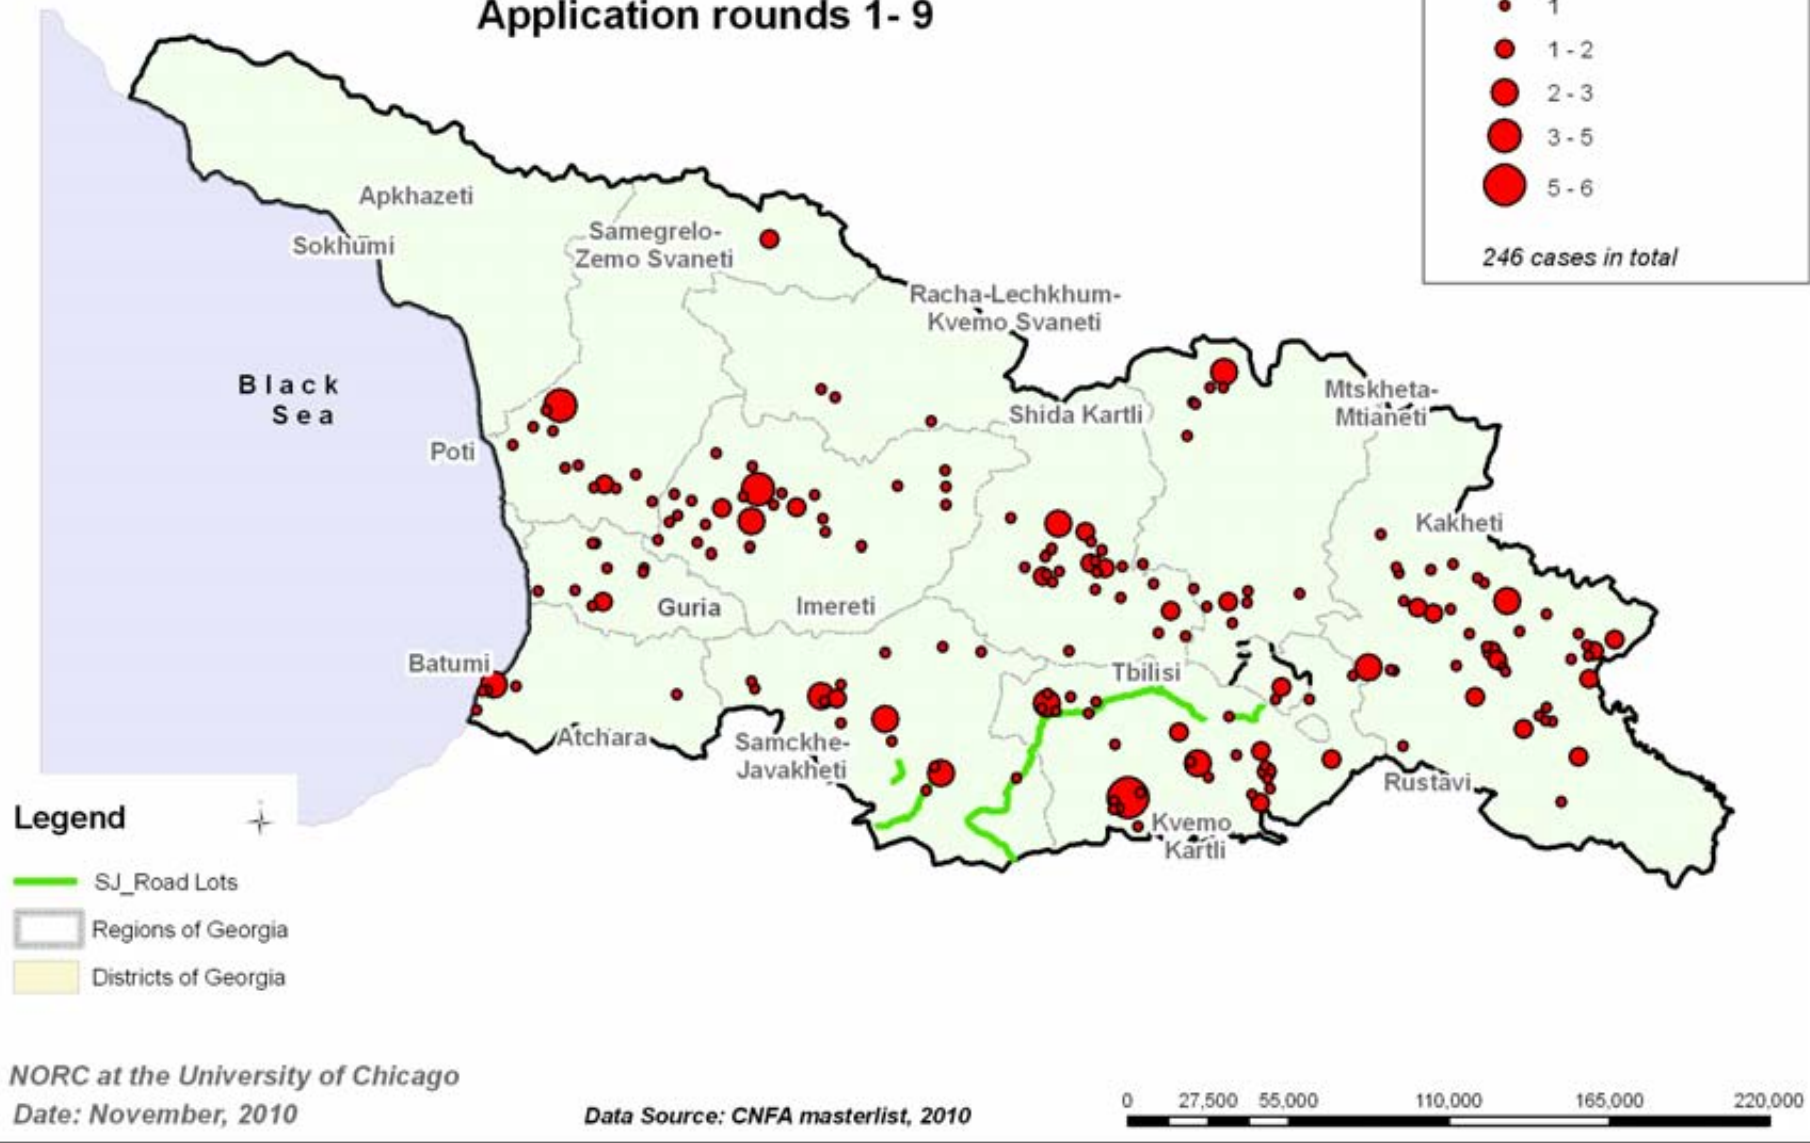

ADA Grantees Number per Settlement

Types of Sustainability

- **Human**
- **Economic**
- **Social**
- **Environmental**

Towards Poverty Reduction

- **Capacity building – a key**
 - **Team Construction**
 - **Challenges and Limitations**
 - **Joint Effort**

Capacity Retention and Challenges

- **New donors looking for already established capacity**
- **Young staff looking for studying opportunities**
- **Turnover results in complications with the repeatability of measurement**

Benefits of Continuity

- **Transformation of staff**
 - **Linguist into qualitative analyst**
 - **New university graduate into metadata statistician**
 - **Geographer into GIS specialist**

Different Definitions of Sustainability

- **The most accepted definition of sustainability is "meeting the needs of the present without compromising the ability of future generations to meet their own needs."**
- **Sustainability is the ability to maintain a certain status or process in existing systems.**
- **The ability of an ecosystem to function and maintain productivity for a prolonged period is also sustainability.**

Lessons Learnt

- **Explore potential of the staff**
- **Help them explore scope and capabilities**
- **Focus on**
 - **Team dynamics and**
 - **Staff retention**
